

Christmas Orders

We will take Christmas orders up to Thursday 8th December. We will require a non-refundable deposit of 50% of the estimated order value at time of placing the order, as we have a long lead time on Christmas meat and all birds are killed to order.

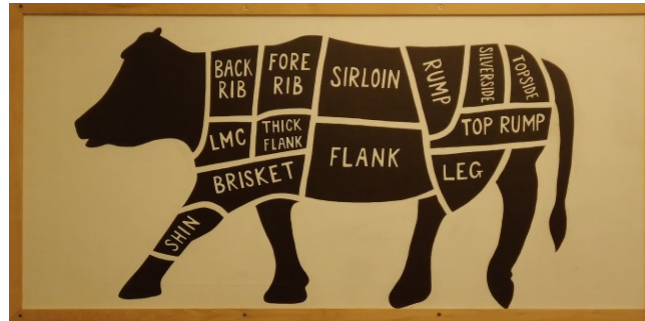

We will have our usual wonderful turkeys and other poultry from Woolley Park Farm in Bradford on Avon. The minimum turkey size we are offering, as last year, is 5kg. Woolley Park do their best, but please be prepared for a bird up to 0.5kg bigger or smaller than your chosen size. Please order to the nearest kg.

If 5kg is too big for you, how about a turkey breast joint, large chicken, pheasant or duck? Free range Cotswold Chickens are another option, which serve 4 to 6 very well

If you want a particular beef joint, please order as early as you can as we have limited supplies.

Orders may be collected from Tuesday 21 December.

Happy Christmas!
